### REPORT ON FOREIGN MISSIONS.

Report was called for and submitted by Eld. W. J. Thomas, and a very interesting speech was delivered on this subject by Eld. G. Whitfield, and a cash contribution taken amounting to \$26.65. Report—

Your committee report that there are at this day eight hundred million persons yet in heathenish darkness, and utterly without the light of the Gospel; and we feel it to be our duty under the commission to give it to them—that Jesus requires us to do this. And up to this time, the Baptist of the South have done but little towards it, only contributing about \$50,000 annually, or about six cents per head. Mississippi Baptist give only about \$3,500 to this cause, while some Associations give almost nothing. Your committee advise that this Association recommend all its churches, and all its members, to enter heartily into the work of giving the Gospel to those millions who have it not, and that each church take up a collection at least once a year for this cause; and that the ministers of the Association preach at least one sermon a year on this subject to their churches, and that Ladies Missionary Societies be established in each church. And, finally, that each Christian be recommended to find a way to help in this important matter.

Respectfully,

W. J. THOMAS,

C. A. BIGHAM,

T. K. STRICKLAND,

} Committee.

### REPORT ON MINISTERIAL EDUCATION.

We believe this to be a subject of momentous import, and one that claims our special attention. The Apostle Paul, in giving the qualifications of the preacher, says: "He must be apt to teach; not as a novice being lifted up with pride, fall into condemnation

of the Devil." The church should act with discretion as to the gifts and graces of their members. If we, in our judgment, from the outward manifestations, think he is a gospel subject whom God has impressed to enter at once into the work, and he needs a better education to enable him to preach the gospel more efficiently, we should certainly have this favor conferred on him. By this he learns to speak correctly; learns of obsolete words, and keeps apace with the growth of language. This advantage will also give him the use of terms, and the corresponding relationship of words and terms. But above all, in the exercise of our judgments, look to the soundness of the grace of God in the heart; that he is thoroughly healed in regeneration's healing flood. And then if we think his qualifications otherwise will do, attend immediately to his education.

Respectfully,

J. W. RANDOLPH,  
J. CLAYTON,  
J. A. McCULLY, } Committee.

P. S.—In connection with the above report, there was donated in cash and pledges \$31.00 for ministerial education. CLERK.

Adjourned until 1 o'clock.

The hour of 11 at hand. Eld. Z. Leavell occupied the stand and preached to a large and attentive audience from Gen., 26th chapter and 19th verse, we think to the edification of all present.

#### EVENING SESSION.

The Association met at 1 o'clock.

The Committee on Devotion report that Eld. A. W. Sandlin preach to-night and Eld. J. T. Pitts to-morrow at 11 A. M.

Report on Home Missions called for and submitted by Eld. J. C. Gillintine, as follows:

Your committee on Home Missions report that, from the knowledge we have of the bounds of our Association, we are apprized of the fact that there is a destitute field that claims our attention, and that it becomes our duty to cultivate it. Notwithstanding we have had a missionary in the field about three months this year, yet we think the demand is great. The cry is still heard, "Come over and help us." Brethren are we satisfied with this amount of labor bestowed on this destitute field, or shall we not make a greater effort for the Master's cause? Your committee recommend that this Association keep a minister in the field at least six months of the year; and we further recommend that each pastor lay the claims of home missions before their churches and solicit contributions for the same.

Respectfully,

J. C. GILLINTINE,  
A. J. DOTY,  
J. J. G. FRANKLIN, } Committee

Adjourned until 8 o'clock to-morrow morning. Prayer by Eld. L. R. Burress.

At night Eld. A. W. Sandlin preached to a very good congregation.

SATURDAY MORNING, 8 O'CLOCK.

The Association met. The Moderator read the 84th Psalm. Then joined in prayer led by Eld. J. T. Pitts. Called for the report on Intemperance, which was read and deferred till the hour of 10. Called for report on Sunday Schools, which was submitted and discussed at some length, and adopted as follows:

That aside from the preaching of God's word by a living ministry, there is no subject that should engross our minds and enlist our hearts as that of Sunday Schools. We felt pained on hearing the letters from the various churches composing this body, having done so little in disseminating God's word to the young, feeling it to be our duty to bring up our children in the nurture and admonition of the Lord. We urge upon the churches comprising this Association the great importance of having well organized Sunday Schools in all the churches.

Respectfully,

J. D. BARTON,  
J. R. BRISFOW,  
J. M. WILLIAMS, } Committee.

By motion, Elder G. Whitfield was granted 10 minutes to address the Association in the interest of the State Mission Board.

The Association then proceeded to appoint the place for the next session of this Body, which resulted in the selection of Friendship Church, four miles east of Guntown, on the road leading from Fulton to Baldwyn, commencing on Thursday before the second Sabbath in September, 1883, at 11 A. M. Eld. D. J. Austin to preach the Introductory Sermon, Eld. A. W. Sandlin alternate.

At 10 o'clock the body resumed the consideration of the report on intemperance, which was read again by the Chairman, which called forth very able speeches from Elds. Burress and Whitfield, and was adopted as follows:

### REPORT ON INTEMPERANCE.

Your committee regard the subject of intemperance one of the most vital and important that now agitates the American continent, and perhaps the Christian world. It is a fact that cannot be successfully denied, that intemperance is the greatest drawback to the progress of Christianity that the churches have to contend with. The intemperance

use of strong drink impedes the progress of the gospel both in city, town and country. The Scripture abundantly teach us that no drunkard shall enter the Kingdom of Heaven. Dear brethren, do you know that two hundred thousand souls sink annually into eternity from the intemperate use of strong drink? Is that not enough to arouse every Baptist to rise with one accord and endeavor to put the iron heel of prohibition in the midst of every church, neighborhood and hamlet in our fair land? Dear brethren, we could write a volume on this important and much-neglected subject, and the half would not nor could not be told.

Respectfully,

J. M. COOK,  
A. B. SMITH,  
G. A. P. JOHNSON, } Committee.

Adjourned till 1 o'clock.

It is now 11 o'clock. Eld. J. T. Pitts preached to a very large and attentive congregation, from Isaiah, 53d chapter and part of 12th verse.

#### SATURDAY EVENING.

Met pursuant to adjournment. Joined in prayer led by Eld. W. L. Pulley.

Called for the report of the Executive Board, which was submitted, also the report of the Missionary, viz:

We, your Executive Board, report that, at a regular meeting in January last, we employed Eld. J. J. Andrews to visit as many of the Churches as he could in the winter months and solicit contributions by cash and pledges, to be paid at the Association, for Missionary purposes. Bro. Andrews reported to us in April as follows:

Received in cash.....\$25 65.  
Amount in pledges.....29 40.

The Board on the 8th of April employed Brother Andrews as Missionary, for which we agreed to pay him \$33.33 per month. Bro. Andrews reports to us four months and four days' labor which amounts to \$137.73. Some of the pledges alluded to have been paid, and some only in part. The Board has paid Brother Andrews \$108.70, and are yet due him \$29.03. The Board for further information refer you to an itemized report that he has made to us.

Respectfully,

J. M. COOK,  
C. A. MAR-HALL,  
S. E. MCCARLEY, } Executive Board.  
W. H. WARE,

### THE MISSIONARY'S REPORT.

DEAR BRETHREN--Soon after my appointment I entered the field, asking God to direct me in my work. I engaged in the mission work untrammelled with the affairs of the world. While Agent in visiting the Churches and so iciting contributions for Mission work, I found the churches not active in the cause of sending the Gospel to the destitute portion of our Association. I think the cause is owing to pastors and deacons being remiss in their duty on this subject. The following is what the churches have done: Unity \$1.10, Poplar Springs \$1.75, Hebron \$1.45, J. N. Davis' School \$2.30, Mt. Gillead \$1.50, Locust Hill \$1.20, New Prospect, Union county, \$2.85, Friendship \$1.90, Pleasant Hill \$2.20, Center Hill \$2.15, Tupelo \$3.00, Zion \$2.55, Pleasant Valley \$1.00, Oak Hill by J. H. J. Cox \$2.00, C. A. Bigham for Camp Creek \$1.00, James Strickland and C. Williams 75 cents, W. Murff for Mt. Pleasant Church \$8.00. The following will show the labor performed: Time, 4 months and 4 days; miles traveled, 1,881; sermons preached, 131; public prayer, 165; family visits, 125; number baptised, 31.

I have done all that was in my power, and still the field is white unto harvest. Never in my ministerial life have I done more labor in the same length of time, and many poor hearts have been made glad by having the gospel preached unto them. I think it would be wise for this Association, if possible, to get some active, live young minister to settle in the southern boundary of our Association, and employ him to preach on Saturday and Sunday at four destitute points; in so doing I think much good would be effected.

The field is too large for one man to cultivate, and now, my beloved brethren, I bid you farewell as an Evangelist in the bounds of our Association. Not that I am less interested in the Missionary cause, but my age. I have been employed as missionary, from time to time, ever since the organization of our Association; I now ask you to let me retire, and let some one else take the field. May the Lord bless and protect our beloved Judson Association is my prayer, for the Great Redeemer's sake. Respectfully,

J. J. ANDREWS.

At this point it was moved by Bro. E. R. Ligon that the Pastors and Delegates be requested to present and press the subject of Home Missions to their Churches, and obtain by cash and pledges, and report the same to the Executive Board. Carried.

And then an effort was made to raise the remaining \$29 the Board was due the Missionary. The Brethren seemed to respond slowly, when Eld J. T. Pitts arose with seeming reluctance, and, notwithstanding the confusion produced by a heavy shower of rain and a leaky house, he commenced talking to the congregation, and especially to the delegates, and finally the audience began to believe he was in good earnest—at any rate he never left the floor until the debt was well nigh liquidated. With due respect, he will do for the Lord's annointed beggar.

CLERK.
